For Students

**AFFORDABLE
INSURANCE
POLICIES**

Students is what it is all about! Students are our prime customers when it comes to insurance policies. We work hard and make every effort to bring affordable insurance policies for students so that they can divert their funds at other more important things in their life. We provide huge variety of insurance covers for all kinds of students, whether single, couple or family.

PROVIDING INSURANCE AT DISCOUNT

We provide insurance at huge discount as compared to the market price. We have provided affordable and discounted insurance policies to thousands of international students and helped them save their valuable money, which they can channelize elsewhere.

Our motive stays to enable the students to buy insurance affordably, easily and quickly. All they have to do is fill in their criteria, choose the policy and buy the one that suits them.

CHOOSING THE RIGHT POLICY

Our helpline helps students choose the policy that suits them the best, based on their visa conditions and budget. No confusion and no paying extra; just the right policy at discounted price!

PAY EASY AND CONFIDENTLY

We want the students to pay easily and smoothly, and this is the reason we have made our portal user-friendly. Easy searching of policies, quick selection and hassle-free payment – all done smoothly!
